

PRODUCT BULLETIN

Trunnion Profile Change

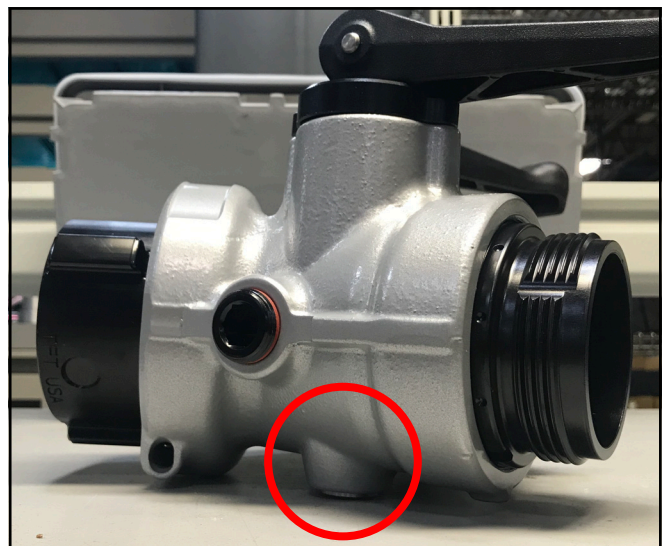

A design change has been made to replace the Hex Head Trunnion with a Low-Profile Internal Hex Trunnion.

This change affects 2.5" Valves, Water Thief, Hi-Rise Valves, HUM, VUM, Gated Wye, Gated Siamese, and Hemisphere monitors. The 2.5" Gated Wye is shown as a representative example.

**PREVIOUS DESIGN
THROUGH 7/2021**

**UPDATED DESIGN
AFTER 7/2021**

Features and Benefits	
Fit and Finish	More compact
