

# Custom Product Labels

## Effective March 1, 2019

Custom labels are available on Task Force Tips nozzles, excluding the New Force line. Since some products have less room for customizing, please contact TFT's Marketing Department for verification. Call for pricing and availability on other TFT products. No label will have any changes that will alter its meaning.

**Creating a custom label will have a one-time design charge of \$80.00 with a \$2.00 per label print fee.**

(exact reorders will only include the \$2.00 per label print fee)

Example:

5 - ME1VPGI (Metro 1 Nozzles) would be:

Design fee for Metro 1	1 x 80.00	=	80.00
Label fee	5 x 2.00	=	10.00
	<b>Total</b>		<b>90.00</b>

Example:

2 - ME1VPGI (Metro 1 Nozzles)

1 - ME2TO (Metro 2 Nozzle) would be:

Design fee for Metro 1	1 x 80.00	=	80.00
Design fee for Metro 2	1 x 80.00	=	80.00
Label fee	3 x 2.00	=	6.00
	<b>Total</b>		<b>186.00</b>

Example:

reorder of existing label would be:

Label fee	2 x 2.00	=	4.00
	<b>Total</b>		<b>4.00</b>

**ARTWORK:** Artwork requiring a logo is preferred to be supplied in vector format. Examples of that include original files from Adobe Illustrator or CorelDRAW. Contact TFT's Marketing Department with any questions.

**APPROVAL:** Dealer is responsible to have their customer approve the design, notify TFT's Marketing Department of that approval and notate the custom label part number on the order.
